Roll Call

Members Present: Sergio Venegas, Robert Woodley, Mark Anders, Demetrio Perez, Sal Blanco, Carmen Saucedo, Larry Romero, Douglas Pitts, Brad Mahoney

Discussions:

1. D3

In order to provide guidance to the Board, Brad called a Special Session of the E-Board to discuss the issue how FC Clovis would respond to a request from a former D3 team that now wishes to play with FC Clovis, which is a D4 playing league? After a lengthy discussion of various issues ranging from how to determine which teams, by standings, cost and recruiting issues. It was decided by voice vote to allow former D3 teams to participate in FC Clovis and to also continue to allow current FC Clovis teams to participate in D3 tournaments.

‘D3’ teams requesting to play in the FC Clovis playing league would be allowed under the following terms:

- Team must present a valid CYSA roster for the previous season
- Additional players would be added using the same rules that apply to existing FC Clovis teams
- Coach must come with team
- If any other questions arose, existing rules as applied to FC Clovis teams would be enforced.
- Core player deadline – Saturday, July 10, 2010
- Cost for registration would be \$375.
